Information about Donations

Food for children

Every day we give each child and volunteer a peanut butter and jam sandwich and an orange. Over the years, we have found that this works well. It is easy to make and serve, and the children like it.

We use about 60 loaves of bread, 8kg of peanut butter, 8kg of jam, and at least 15 pockets of oranges over the week.

Food for the team

We have around 30 leaders and helpers. We have Hot Chocolate available for them when they arrive in the morning. We use around 3kg over the week

We provide lunch for them each day – soup & rolls, hotdogs, mac & cheese etc.

We are looking for individuals and/or groups to prepare and provide a meal for one of the six days the team will be working.

Chips, chocolates and the like

It is always nice to receive extras for the team and/or the children. We give awards (usually chocolate bars or packets of sweets) to two leaders each day, and each leader gets something to say thank you at the end of the week.
